Please Read Before Use

- ComfiLife Anti-Fatigue Mat is manufactured with highest quality materials. High density core provides exceptional fatigue reduction and support while the stain resistant surface is easy to clean.
- Memory foam is heat responsive, in order to get the best performance keep your mat at room temperature at all times.
- Always place on a flat surface.
- Freshly manufactured memory foam might have a slight odor. Air out your mat in a well ventilated area for at least 24 hours. If possible let it sit outside for a few hours on a dry sunny day.
