If you are not 100% satisfied for any reason or if there are any issues with your pillow protector please contact us and we will send you a FREE REPLACEMENT.

For any questions please contact us and our lightning speed customer service will take care of you.

Please Read Before Use

- ComfiLife Waterproof Pillow Protector is made from naturally-harvested luxurious Tencel Fiber of Eucalyptus wood pulp for better comfort and durability, so you might notice a distinct odor. This is completely natural. Please air out your pillow or hand / machine wash before use.
- Hypoallergenic pillow covers can fit most pillows and have a zipper for a secure fit.
- Inside of your pillow protector is lined with a waterproof material. Please handle and wash carefully not to damage the waterproof layer.

ComfiLife Gel Seat Cushion

How to use?

- Unzip your ComfiLife Pillow Protector and lay it on a flat surface. Grab your pillow by one corner and push that corner to one corner of the pillow protector. Inside the pillow protector grab the other corner of the pillow and shove it to the second corner of the case. Pull the pillow case over your pillow, secure it inside and close the zipper. You can use additional pillow covers over your pillow protector if needed.

Care Instructions

WARNING: DO NOT USE HARSH DETERGENTS OR BLEACH. DO NOT IRON OR DRY CLEAN AS THIS COULD DAMAGE THE WATERPROOF LAYER.

To Wash: Zip your protector before putting it in the washer. Machine wash using cold or warm water.

To Dry: Tumble dry on LOW HEAT together with similar smooth articles such as linens, bed sheets and towels. Do not tumble dry alone and NEVER wash with rough items such as jeans. Can be air-dried naturally. Note that prolonged exposure to sunlight might cause a discoloration of the fabric but this would not affect the waterproof and bug-proof capabilities of the material.

Do Not Dry Clean

Do Not Bleach

Machine Wash Cold

Tumble Dry Low

Do Not Iron

Your Opinion Matters
